COROLLA HATCHBACK

TOYOTA

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

DESIGNED FOR REAL LIFE

The 2020 Corolla Hatchback keeps the fun going. Low to the ground and lightweight, this energetic hatch will reintroduce you to the thrill of driving. Its sporty exterior highlights its practical five-door design, while the interior surrounds you in comfort with plenty of room to take friends along for the ride. It's also up-to-speed with the latest tech and our state-of-the-art Toyota Safety Sense 2.0™ that helps provide peace of mind on every trip. So, whether you're running to the store or driving to the lake, Corolla Hatchback finds fun around every corner.

EVERY RIDE'S A JOY RIDE

SLEEK, SPORTY EXTERIOR.

The Corolla Hatchback makes a joy ride out of just about any ride. Its sporty design creates a lasting first impression, thanks to its sleek, aerodynamic shape, athletic wheel flares and arches, and stylish Bi-Beam LED headlights. And with several sporty packages to choose from, you can ensure there is a Hatchback that fits your unique lifestyle.

COMFORT THAT FITS WHO YOU ARE

AN INTERIOR MADE FOR GOING.

Corolla Hatchback's driver-centric cockpit is tailored to give you an exceptional experience behind the wheel. Its ergonomically designed sport seats offer a relaxed and focused drive, while pedals and shifters are perfectly positioned to give you optimal control around every bend and corner. With premium piano black accents, soft-touch materials, and contrast stitching on the dash and doors, everything in Corolla Hatchback was meticulously designed to stand out and to give you total comfort.

UP-TO-SPEED WITH THE LATEST TECH

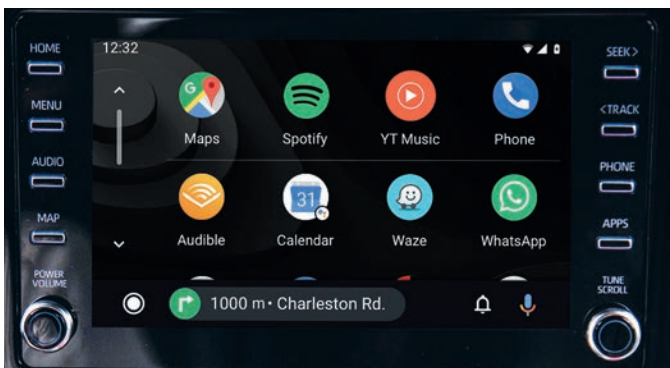

CONNECTED SERVICE BY TOYOTA¹

Staying connected has never been easier with a suite of available connectivity features including Remote Connect, Safety Connect®, Service Connect, and Destination Assist Connect to help enhance your driving experience.

APPLE CARPLAY™¹

Corolla Hatchback offers Apple CarPlay™ support as a standard feature. Connect your compatible iPhone® and get directions, make calls, send and receive messages, and listen to your own playlist with your voice through Siri® or the steering wheel controls – all while maintaining focus on your drive.

ANDROID AUTO™¹

Android Auto™ brings your favourite smartphone apps into one place, making it easy to access navigation, media, and communication apps. With the Google Assistant™, you can perform actions with your voice, keeping your eyes on the road and your hands on the wheel.

Qi WIRELESS CHARGING

No wires. No worry. Simply place your Qi compatible device on the available Qi wireless charger for a quick and easy charge.

ENERGY THAT'S CONTAGIOUS

SHIFT INTO THE MOMENT.

Corolla Hatchback's Dynamic Force 2.0 L, 4-cylinder, 168hp Direct Injection 4-stroke engine with Variable Valve Timing with Intelligence delivers exceptional driving performance and superior fuel efficiency. For drivers craving greater control, the six-speed intelligent Manual Transmission (iMT) with downshift rev-matching automatically adjusts engine rotations when changing gears and ensures smoother and faster transitions between gears. Corolla Hatchback also features independent suspension, active cornering assist, and vehicle stability control, which all work together to enhance ride comfort and handling response so that you have fast-paced fun the moment you step on the gas.

DESIGNED FOR SAFETY

STANDARD TOYOTA SAFETY SENSE 2.0.™²

No matter what roads you travel, Toyota Safety Sense 2.0™ is always there to help keep you as safe as possible. It's an advanced suite of innovative safety features that comes standard on the 2020 Corolla Hatchback, and it is designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

LANE DEPARTURE ALERT WITH STEERING ASSIST⁷ & ROAD EDGE DETECTION

Alerts you if you start to drift out of your lane when visible lane markings or the road edge is detected. The Steering Assist function may also provide small corrective steering inputs.

FULL-SPEED RANGE DYNAMIC RADAR CRUISE CONTROL⁶

Dynamic Radar Cruise Control (DRCC) uses vehicle-to-vehicle distance control, which adjusts your speed, to help you maintain a preset distance from vehicles ahead of you that are driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera designed to detect vehicles and their distance.

LANE TRACING ASSIST⁵

Provides steering support to help the driver keep the vehicle centred in its lane when Dynamic Radar Cruise Control is in operation. (Automatic only)

AUTOMATIC HIGH BEAMS⁴

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

PRE-COLLISION SYSTEM WITH PEDESTRIAN & BICYCLE DETECTION³

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. The latest system has enhanced low-light capabilities to help detect pedestrians at night. In certain conditions during the day, the Pre-Collision System with Pedestrian and Bicycle Detection may also help to detect leading and crossing cyclists and help prevent or mitigate a collision.

COROLLA HATCHBACK SELECT FEATURES

S

DRIVETRAIN

- Dynamic Force 2.0 Litre, In-Line 4-Cylinder, with 168 hp @ 6600 rpm & 151 lb.ft. of Torque @ 4800 rpm
- Variable Valve Timing with Intelligence Electrically Driven on Intake Cam
- Variable Valve Timing with Intelligence on Exhaust Cam
- Direct-Injection 4-Stroke Gasoline Engine
- 6-Speed, intelligent Manual Transmission (iMT)
- Front Wheel Drive, Drive Mode Select
- Combined City & Highway Rating 7.5 L/100 km 38 mpg⁸

ENTERTAINMENT & CONNECTIVITY

- Connected Services by Toyota¹ – Audio: 8" Touch Screen, 6-Speakers, Works with Apple CarPlay™ & Android Auto™
- USB Input Port, Auxiliary Input Jack, Bluetooth®
- 4.2" TFT Colour Multi-Information Display
- Backup Camera
- Push Button Start, Smart Key System

INTERIOR

- Automatic Climate Control
- Front Sport Seats with Sport Fabric Seat Material
- Manual Adjustable 6-Way Driver & 4-Way Front Passenger Seats
- 60/40 Split Rear Bench Seat with Fold-Down Seat Back
- Piano Black Accented Instrument Panel Trim
- All Power Windows with Auto Up/Down

EXTERIOR

- 5-Door Hatchback
- Rear Spoiler
- Bi-Beam LED Headlamps
- LED Rear Combination Lamps
- 15" Steel Wheels with Full Wheel Cover & P195/65R15 All-Season Tires

SAFETY

- Toyota Safety Sense 2.0™ –
Pre-Collision System with Pedestrian & Bicycle Detection
Full-Speed Range Dynamic Radar Cruise Control (High Speed for manual transmission)
Lane Departure Alert with Steering Assist & Road Edge Detection
Lane Tracing Assist (Not available on manual transmission)
Automatic High Beams
- 7 Airbags
- Engine Immobilizer

OPTIONAL

- "M" mode with 10-speed AT Simulated Shift Control, Automatic, Direct Shift Continuously Variable Transmission (Direct Shift-CVT)
- Combined City & Highway Rating 6.7 L/100 km 42 mpg⁸

OPTIONAL PACKAGES

SE PACKAGE

- Leather-Wrapped Steering Wheel
- Steering Wheel Paddle Shifters (A/T)
- Heated Front Seats
- Rear Bumper with Chrome Accent
- Vehicle Anti-Theft System
- Blind Spot Monitor System
- SE Badging
- 16" Aluminum Alloy Wheels & P205/55R16 All-Season Tires

SE UPGRADE PACKAGE

- Plus SE Package
- Connected Services by Toyota¹ – Audio Plus with Remote includes Audio features in addition to: 8" Touch Screen, 6-Speakers, Remote Connect (1 Year Subscription) includes – Engine Start/Stop (not available on manual transmission), Door Lock/Unlock, Last Parked Location, Guest Driver Settings, Recent Trip, Status of Doors/Windows; Service Connect (10 Year Subscription) includes – Vehicle Health Reports, Warning Light Notification, Maintenance Interval; Safety Connect® (1 Year Subscription) includes – Automatic Collision Notification, Stolen Vehicle Locator, Emergency Assistance Button, Enhanced Roadside Assistance
- Integrated SiriusXM® Satellite Radio
- Leather-Wrapped Heated Steering Wheel
- Qi Wireless Charging
- 18" Aluminum Alloy Wheels & P225/40R18 All-Season Tires

NIGHTSHADE EDITION

- Plus SE Upgrade Package
- Black Mirror Cap/Door Handles
- Black Grille Surround/Spoiler/Side Rocker
- Black Badging (SE/Toyota Emblem Back Cover/Corolla Hatchback)
- Black 18" Aluminum Alloy Wheels & P225/40R18 All-Season Tires

XSE PACKAGE

- Plus SE Upgrade Package
- Connected Services by Toyota¹ – Premium Audio with Remote includes Audio Plus with Remote features in addition to: 8" Touch Screen, 6-Speakers, Embedded Navigation, Destination Assist Connect (1 Year Subscription), Embedded Traffic & Weather, Map Updates – 3 Years (Maximum of 3 Updates)
- 7" TFT Multi-Information Display with Digital Speedometer
- Dual Zone Automatic Climate Control
- Sport Fabric Seat Material with Leatherette Trim
- Heated Power Adjustable 8-Way Driver Seats with Lumbar Support
- LED Fog Lamps
- XSE Badging

ACCESSORIES

Toyota Genuine Accessories are custom designed and built to fit your specific Toyota vehicle and are backed by a Toyota Warranty. For a complete list of vehicle-specific accessories, visit accessories.toyota.ca or your local Dealer.

- Auto-Dimming Rear View Mirror with HomeLink®
- Block Heater
- Body Side Mouldings
- Cargo Liner
- Cargo Net
- Door Sill Protectors
- Hood Deflector
- Pro Series Paint Protection Film
- Rear Spoiler
- Roof Rack
- Side Window Deflectors
- START+ Long Range Remote Engine Starter
- Toyota Genuine Dash Camera
- Universal Tablet Holder

TRD ACCESSORIES

- TRD Performance Air Filter
- TRD Performance Oil Filter

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) Driving while distracted can result in loss of vehicle control. Some features may be locked out while the vehicle is in gear. To reduce risk of accident while driving, exercise care when using the systems (even with the voice commands) and obey all local laws concerning use of the systems while driving (as some laws prohibit the use of electronic devices while operating a vehicle). Once the Connected Services by Toyota trial subscription expires, paid enrollment is required. Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Android Auto and Google Assistant are trademarks of Google LLC. (2) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (3) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection System with Enhanced Low Light Capability and Bicyclist Detection, part of the Advanced Pre-Collision System, is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input, and weather, light and road conditions. (4) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (5) Lane Tracing (Trace) Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. (6) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (7) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (8) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
