GR SUPRA

TOYOTA

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY.

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

THE ALL-NEW 2020 GR SUPRA

THE EVOLUTION OF A LEGEND.

For over 30 years, the Supra was hailed as Toyota's purest sports car. Then it disappeared, leaving behind a trail of broken hearts. But after eighteen years of anticipation, it's finally back. And let's face it, some things are worth the wait. As the first Toyota to earn the "GR" badge – signifying it's been track-tested and fine-tuned by GAZOO Racing, Toyota's in-house motorsports team – the 2020 GR Supra is prepared to pick up where the 2002 model left off. The two-seater coupe is no mere sports car – it's an expression of beauty and pure performance, designed to make driver, car, and road perform as one.

PURE DRIVING ENJOYMENT

INSPIRED BY THE PAST, ENGINEERED FOR THE PRESENT.

The Supra's "GR" distinction is well earned with its lightweight, rigid body wrapped around a high-performance powertrain for maximum speed and efficiency. This, combined with 335 horsepower, 365 lb.ft. torque to the rear wheels, and a low centre of gravity make it track-ready to put all challengers in the rear-view mirror. More impressive than its full throttle capability is how it gets there. With a mind-bending 0-96 km/h acceleration in 4.1 seconds, it's not only fast but also smooth, thanks to a 3.0L straight-six direct injection engine with variable valve timing and a twin-scroll turbocharger.

TRACK-READY PERFORMANCE

The 2020 GR Supra is equipped with responsive variable ratio sport-tuned electric power steering, rear adaptive variable sport tuned suspension, and dynamic damper control to provide greater precision handling and control on any road or track. For a fully effortless takeoff, the powerful, yet fuel efficient engine is mated to an eight-speed automatic transmission that delivers uninterrupted, lightning-quick up and down gearshifts.

PUSHING THE ENVELOPE OF PERFORMANCE

SPORT TUNED SUSPENSION

For greater handling, stability, and ride comfort, the GR Supra is equipped with a double-joint spring strut front suspension to provide precise cornering characteristics, while the rigid and lightweight multi-link rear suspension offers improved wheel control.

SPORT MODE

On track days, Sport Mode alters the powertrain for faster gear changes and more dynamic throttle mapping to improve shift crispness and to create a more visceral driving experience.

LIMITED SLIP ACTIVE DIFFERENTIAL

A limited slip active differential on the rear axle uses an electric motor and multi-plate clutches to minimize understeer and oversteer. It also helps to control lateral torque when cornering – even when accelerating or braking – to enable greater momentum and control.

PADDLE SHIFTERS

The track-inspired paddle shifters deliver real hands-on performance driving, letting you control when you shift and rev matching seamlessly.

SHAPED BY EMOTION ... AND RACING

Toyota's iconic motorsports heritage lives on with the 2020 GR Supra. Its bold and powerful design echoes its rich lineage that include the fourth-generation Supra (1993-2002), the landmark 1967 Toyota 2000 GT, and the 2014 Toyota FT-1 concept vehicle.

FORM INSPIRED BY FUNCTION

ARTFUL, ATHLETIC DESIGN.

Truly a work of art, the GR Supra's athletic design is as alluring as it is functional. But it's the science behind the form that makes this car a bona fide masterpiece. Up front – more than a pretty face – the wide grille channels cool air directly to the turbocharged engine to optimize performance. Up top, the double-bubble roof – a deliberately stylish homage to the Toyota 2000 GT – improves headroom while also reducing drag. Out back, the flared rear spoiler does more than make a dramatic statement – it generates downforce to ground the vehicle during high octane moments.

**DESIGNED
WITH SERIOUS
DRIVERS
IN MIND**

WELCOME TO THE COCKPIT

WHERE DRIVER AND CAR BECOME ONE.

Toyota designed the compact two-seater to be both an everyday sports car and an occasional track car. The ultra-modern cockpit features a low, narrow dash to create greater visibility, ideal for precisely placing the car in corners. The small-diameter leather-wrapped steering wheel makes it easy to view critical information on the instrument panel. The centre console was designed with an asymmetrical shape that tightly envelops the driver. Commanding comfort comes from the power adjustable 14-way driver seat with lumbar support that allows you to set your preferred driving position with just the touch of a button. For added support, the premium leather-trimmed sport seats with integrated head restraints and power adjustable side bolsters firmly hold you in place so that you can focus on the open road ahead.

TECHNOLOGY THAT LETS DRIVERS JUST DRIVE

TOYOTA SUPRA CONNECT¹

From a 24/7 Concierge Agent who can send routes to your navigation system and make restaurant reservations to advanced cellular and GPS technology that can send emergency services to your exact location and attempt to retrieve your vehicle if it is stolen, you can be confident that the GR Supra has you covered.

APPLE CARPLAY™²

The GR Supra is compatible with wireless Apple CarPlay™. CarPlay enables you to easily use your iPhone® features while staying focused on the road ahead. Using your steering wheel controls or Siri®, you can access directions, make calls, send and receive messages and listen to music - all in a way that allows you stay focused on the road.

ADVANCED SAFETY^{3,4,5}

The 2020 GR Supra offers an advanced suite of innovative safety features that are designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

COLOUR HEAD-UP DISPLAY

The colour Head-Up Display uses aircraft-inspired technology to project important information right on the windshield. This full-colour display can show your speed, give turn-by-turn directions, and much more.

GR SUPRA SELECT FEATURES

GR SUPRA

DRIVETRAIN

- Direct Injection Turbocharged 3.0L Inline-6 with Variable Valve Timing (335 hp/365 lb.ft. of Torque)
- Stainless Steel Sport Exhaust System
- 8-Speed Automatic Transmission
- Rear Wheel Drive
- Sport Mode with Launch Control
- Active Differential, Adaptive Variable Suspension & Adaptive Steering
- Sport-Tuned Electric Power Steering
- 4-Piston BREMBO® Brakes with Red Painted Calipers
- Combined City & Highway Rating 8.9 L/100 km 32 mpg⁷

ENTERTAINMENT & CONNECTIVITY

- Audio: 8.8" Display Audio, JBL® Audio, 12-Speakers
- Toyota Supra Connect: Embedded Navigation with available Over-the-Air Updates, 24/7 Concierge, Remote Lock/Unlock, Vehicle Finder, Automatic Emergency Call, SOS Button, Stolen Vehicle Recovery, Embedded Apps (Weather, WikiLocal, News, Google Powered POI Search - 4 Year Subscription)
- Works with Wireless Apple CarPlay™ (4 Year Subscription)
- Integrated SiriusXM® Satellite Radio
- Fully Digital Gauge Cluster, Head-Up Display
- Push Button Start, Smart Key System
- Auto-Dimming Rear View Mirror

INTERIOR

- Dual-Zone Independent Automatic Climate Control
- Heated Front Sport Seats, 2 Seat Capacity
- Leather Seat Surfaces with Carbon Fibre Trim
- 14-Way Power Adjustable Seats with Adjustable Lumbar Support & Side Bolsters
- 3-Spoke, Leather-Wrapped Steering Wheel with Paddle Shifters
- Aluminum Scuff Plates

EXTERIOR

- GAZOO Racing (GR) Badge
- Heated Power-Adjustable Auto-Dimming Side View Mirrors with Memory
- Variable Intermittent Wipers
- LED Headlamps & Tail Lamps
- LED Front & Rear Turn Signals
- 19" Forged Aluminum Alloy Wheels, P255/35R19 (Front) & P275/35R19 (Rear) Summer Tires
- Tire Repair Kit

SAFETY

- Standard Safety Features: Forward Collision Warning, Automatic Emergency Braking with Pedestrian Detection, Lane Departure Warning, Road Sign Assist, Backup Camera
- Available Safety Features: Full Speed Adaptive Cruise Control, Parking Sonar with Rear Collision Warning, Blind Spot Monitoring with Rear Cross-Traffic Alert, Adaptive Front Lighting System with Automatic High Beams
- 8 Airbags
- Tire Pressure Monitoring System

ACCESSORY

Toyota Genuine Accessories are custom designed and built to fit your specific Toyota vehicle and are backed by a Toyota Warranty. For a complete list of vehicle-specific accessories, visit accessories.toyota.ca or your local Dealer.

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) Supra Connect services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, all of which can limit system functionality or availability, including access to response center and emergency support. Apps and services subject to change at any time without notice. Terms and conditions of subscription service agreement apply. Data charges may apply. Stolen vehicle police report required to use Stolen Vehicle Recovery. To learn more about Supra Connect services, including data collection, use, sharing and retention, please visit <https://www.toyota-supraconnect.jp/app/index.html#/portal>. See Owner's Manual for additional information. Once the trial subscription expires, paid enrollment is required. (2) Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Once the trial subscription expires, paid enrollment is required. (3) The Front Collision Warning System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. (4) Lane Departure Warning is designed to read lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (5) Do not rely exclusively on the Blind Spot Monitor System and Rear Collision Warning System. They are not collision-avoidance systems or substitutes for safe and attentive driving. (6) BREMBO® is a registered trademark of Freni Brembo S. P. A. (7) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
