

OPTION PACKAGES RX 350

PREMIUM PACKAGE 1

Perforated leather-seat surfaces
Heated and ventilated front seats
Driver seat memory system
Auto-dimming side view mirrors
Power moonroof
Power rear door with jam protection

PREMIUM PACKAGE 2

Premium Package 1, plus:
Bi-xenon High-Intensity Discharge (HID) headlamps
Automatic High-Beam feature
Auto Levelling Headlamp System
Adaptive Front Lighting System (AFS)
One wallet size smart card key
Auto-dimming rear view mirror with integrated backup camera¹⁷

TOURING PACKAGE

Premium Package 2, plus:
19-inch 7-spoke aluminum alloy wheels with P235/55R19 tires²¹
Voice-activated HDD Navigation System¹⁶ with Remote Touch
XM Real-Time Traffic^{®16} capability
12-speaker Lexus premium audio system
Rear subwoofer
USB audio input
Wood- and leather-wrapped steering wheel and shift knob
Backup camera¹⁷ in navigation display

SPORT PACKAGE

Touring Package, plus:
Vehicle Dynamics Integrated Management (VDIM)¹
Heads-up display
Sport-tuned suspension and steering
Unique alloy wheel finish (deleted wood- and leather-wrapped steering wheel and shift knob)

ULTRA PREMIUM PACKAGE

Touring Package, plus:
Vehicle Dynamics Integrated Management (VDIM)¹
Heads-up display
Premium leather seat surfaces
Mark Levinson[®] 15-speaker Surround Sound Audio System⁴ with 7.1 architecture and in-dash six-disc DVD auto-changer
Wide-view side monitor system²⁴
Power folding exterior mirrors
Front seat power thigh support
Intuitive Parking Assist
Roof rail crossbars¹⁸
Front illuminated doorsill trim
Dual-screen DVD Rear-Seat Entertainment System (RSES)
Audio and DVD remote control
Two sets of wireless headphones⁵
115v/400-watt power outlet

OPTION PACKAGES RX 450h

TOURING PACKAGE

19-inch split-5-spoke aluminum alloy wheels with P235/55R19 tires²¹
Voice-activated HDD Navigation System¹⁶ with Remote Touch
XM Real-Time Traffic^{®16} capability
12-speaker Lexus premium audio system
Rear subwoofer
USB audio input
Wood- and leather-wrapped steering wheel and shift knob

ULTRA PREMIUM PACKAGE

Touring Package, plus:
LED headlamps
Pre-Collision System (PCS)²²
Dynamic Radar Cruise Control¹²
Heads-up display
Premium leather seat surfaces
Mark Levinson[®] 15-speaker Surround Sound Audio System⁴ with 7.1 architecture and in-dash six-disc DVD auto-changer
Wide-view side monitor system²⁴
Power folding exterior mirrors
Front seat power thigh support
Intuitive Parking Assist
Roof rail crossbars¹⁸
Front illuminated doorsill trim
Dual-screen DVD Rear-Seat Entertainment System (RSES)
Audio and DVD remote control
Two sets of wireless headphones⁵
115v/400-watt power outlet

ACCESSORIES

All-weather floor mats
Ashtray/lighter kit
Block heater
Cargo net
Cargo liner
Hood deflector
Licence plate cover
Side window visors
Tow-hitch receiver⁹
Towing accessories

GENERAL

TYPE Five-passenger luxury utility vehicle

CONSTRUCTION Welded-steel unibody

CURB WEIGHT 1,970 kg/4,510 lb (RX 350)
2,110 kg/4,810 lb (RX 450h)

TOWING CAPACITY (MAX) 1,587 kg/3,500 lb⁹

WHEELS

18-inch five-spoke alloy wheel²¹
STANDARD RX 350 AND RX 450h

19-inch seven-spoke alloy wheel²¹
AVAILABLE RX 350

19-inch split-five-spoke alloy wheel²¹
AVAILABLE RX 450h

BODY AND DIMENSIONS

HEADROOM
front/rear (w/moonroof)
950/937 mm - 37.4/36.8 in
front/rear (w/out moonroof)
957/970 mm - 37.6/38.1 in

SHOULDER ROOM
front/rear
1,472/1,462 mm - 57.9/57.5 in

HIP ROOM
front/rear
1,407/1,410 mm - 55.4/55.5 in

HEIGHT
1,720 mm - 67.7 in

WIDTH 1,885 mm - 74.2 in

CARGO CAPACITY (max)¹¹
2,272 litres - 80.3 cubic feet (behind front seats)
1,132 litres - 40.0 cubic feet (behind rear seats)

FUEL-TANK CAPACITY
72.5 litres - 15.9 gallons (RX 350)
65 litres - 14.3 gallons (RX 450h)

LEGROOM
front/rear
1,096/934 mm - 43.1/36.8 in (RX 350)
1,096/942 mm - 43.1/37.0 in (RX 450h)

GROUND CLEARANCE
185 mm - 7.3 in (RX 350)
175 mm - 6.9 in

WHEELBASE 2,740 mm - 107.9 in

OVERALL LENGTH 4,770 mm - 187.8 in

HEADROOM
front/rear (w/moonroof)
992/958 mm - 39.0/37.7 in

SHOULDER ROOM
front/rear
1,472/1,462 mm - 57.9/57.5 in

HIP ROOM
front/rear
1,407/1,410 mm - 55.4/55.5 in

HEIGHT
1,685 mm - 66.3 in
1,720 mm - 67.7 in (w/roof rails)

WIDTH 1,885 mm - 74.2 in

STANDARD LUXURY FEATURES RX 350 and RX 450h

Espresso bird's-eye maple or brown walnut interior trim
Leather-trimmed steering wheel and shift knob
Steering wheel-mounted audio controls
Power tilt-and-telescopic steering column
LCD multi-information display
Lexus 9-speaker Premium Sound System with Automatic Sound Levelizer (ASL) and in-dash, single-feed, six-disc CD auto-changer
Bluetooth® capability¹⁵
XM® Satellite Radio²⁰
Auxiliary MP3/Windows Media® Audio (WMA) port
Roof-mounted antenna
8-way driver's and front passenger's power seats with lumbar support
Height-adjustable headrests for all seats
Reclining and sliding rear seat (60/40 split)
Dual-zone automatic climate control with interior air filter and automatic recirculation mode
Power windows with one-touch auto open/close feature
Remote-linked opening for windows
Retained accessory power for windows
Illuminated entry system
Electrochromic (auto-dimming) inside mirror with compass
SmartAccess²⁶ with push-button Start/Stop
Power door locks
Cruise control
Multifunction, in-key remote entry system with rolling-code technology
Sliding centre console lid with cupholders and storage bin
HomeLink®¹⁰ universal transceiver to operate compatible garage, gate, home lighting and home security systems
Accessory power outlet in cargo area
Electroluminescent instrumentation
Lexus Personalized Settings (LPS) to customize electronic functions
Outside temperature gauge
Sunvisor extensions
Carpeted floor mats
Cargo net

EXCLUSIVE STANDARD LUXURY FEATURES RX 450h

Driver seat memory system
Heated and ventilated front seats
Perforated leather seat surfaces
Power moonroof
Power rear door
Wallet-size card key
Hybrid blue accented front headlamps, rear tail lamps, logos and badges
Backup camera¹⁷
Auto-dimming side view mirrors

STANDARD SAFETY AND SECURITY FEATURES RX 350 and RX 450h

Driver's and front passenger's advanced airbag system (SRS)⁶
Front seat-mounted side airbags (SRS)⁶
Rear outboard seat-mounted side airbags
Front and rear Roll-Sensing Curtain Airbags (RSCA) (SRS)⁶
Driver's and front passenger's knee airbags (SRS)⁶
Three-point seatbelts for all seating positions, pre-tensioners with force limiters for front seats
Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for all passenger seating positions.
Height-adjustable front shoulder belt anchors
Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
Four-wheel power-assisted disc brakes
Four-sensor, four-channel Antilock Braking System (ABS)
Vehicle Stability Control (VSC)¹ with cutoff switch
Traction Control (TRAC)
Brake Assist⁷
Electronic Brakeforce Distribution (EBD)
Lexus direct Tire Pressure Monitor System⁸
Highly rigid body structure with front and rear crumple zones
Side-impact door beams
Impact-dissipating upper interior trim
Collapsible steering column
Collapsible brake and driver's footrest pedals
Integrated foglamps
Automatic headlamp system
Water-repellent front-door glass
Variable intermittent front windshield wipers
Rear intermittent wiper
Rear-window defogger with auto-off timer
Power-adjustable outside mirrors with defoggers
Vehicle theft-deterrent and engine immobilizer system, with in-key transponder³
Retractable tonneau cover
First aid kit
Tool kit

EXCLUSIVE STANDARD SAFETY AND SECURITY FEATURES RX 450h

Electronic Controlled Braking (ECB)
Vehicle Dynamics Integrated Management (VDIM)¹
Bi-xenon High-Intensity Discharge (HID) headlamps with auto levelling and automatic high beam feature
Adaptive Front Lighting System (AFS)

WARRANTY

Comprehensive Coverage:

48 months/80,000 km (includes tires)

Hybrid-Related Components: 96 months/160,000 km

(applies to battery control module, hybrid vehicle control module, hybrid battery and the inverter/converter) - RX 450h

Powertrain: 72 months/110,000 km

Corrosion Perforation: 72 months/unlimited kilometres

Roadside Assistance:¹⁹ 48 months, 24-hour roadside assistance with free travel planning.

Please see your Lexus Dealer for details.

1. Vehicle Stability Control (VSC) and Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC and VDIM will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 2. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 3. The engine immobilizer is a state-of-the-art anti-theft system. The key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Lexus Dealer can help, or you can find a qualified independent locksmith to perform high-security key services at www.aloa.org. 4. Mark Levinson is a registered trademark of Madrigal Audio Labs, Inc. a division of Harman International. 5. Headphones are for passenger use only. Do not use while operating vehicle. 6. All the airbag ("AB") systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. Please see your *Owner's Manual* for further information/warnings. 7. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 8. The Lexus Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your *Owner's Manual* for details. 9. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. 10. HomeLink is a registered trademark of Johnson Controls. 11. Cargo and load capacity limited by weight and distribution. 12. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your *Owner's Manual* for important cautions and instructions. 13. FUEL CONSUMPTION RATING. These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of the vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*. 14. The RX 450h is not designed to be driven off-road. 15. The Bluetooth® capability phones listed have been tested for compatibility with Lexus vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Lexus. 16. The Navigation System is designed to assist in locating an address or point of interest. XM® NavTraffic requires a monthly service fee and is designed to provide real-time traffic or alternative routes of travel. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your *Navigation System Owner's Manual* for further details. NavTraffic will only be available in Montreal, Vancouver and Toronto. Both Montreal and Vancouver will only have incident data and Toronto will have both incident and flow data. 17. The backup camera, available only with the Navigation System, does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 18. CrossBars are not recommended for luggage. 19. Coverage only available in Canada and the continental U.S. Please see your local Lexus Dealer for details. 20. Functioning Satellite Radio requires a compatible receiver and monthly service fee. Please see your Lexus Dealer for further details. Reception of satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to terms and conditions set by appropriate satellite radio provider. 21. 18- or 19-inch tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 24,000 kilometres, depending on driving conditions. 22. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. Please see your *Owner's Manual* for further information. 23. Maximum output indicates engine plus HV battery output. 24. The Wide-view Side Monitor does not provide a comprehensive view of the front and side areas of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm clearance. Cold weather will limit effectiveness and view may become cloudy. 25. The Lexus Hybrids have up to 70% fewer smog-forming emissions compared against similarly equipped conventional gasoline power vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements. 26. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

THE BEST WAY TO FINANCE YOUR NEW RX - EASILY, QUICKLY, AFFORDABLY.

 **LEXUS** Choosing a new car can be an overwhelming decision process. Paint colours, leather choices, optional packages. Do I need this? Would I like that? Getting all that clear in your mind is when the easy part begins! Starting with one straight forward statement and a few brief specifics: • Lexus Financial Services does nothing but **Financial Services** finance or lease Lexus vehicles; thus, we know financing and we know Lexus. • Our interest rates are fully competitive and our terms flexible (up to 72 months). • Since we offer Web services, you can: A: check out our rate; B: save time by getting credit approved on-line - before checking out the vehicle(s) of your interest. • Finally, one-stop shopping (at all Lexus Dealerships) saves you time. We invite you to visit us at lexus.ca or call us at 1-800-26-LEXUS.

LEXUS CANADA. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur, which would not be reflected in this brochure. Lexus Canada reserves the right to make these changes without notice or obligation. Your Lexus Dealer is the best source for up-to-date information.

Vehicles in this brochure shown with optional equipment. Some features mentioned and/or shown in this brochure may only be available as part of an optional package.

Under very cold conditions, the operation of some vehicle electronic systems using liquid crystal technology (such as CD, DVD, NAV and Audio displays) may be adversely affected until a warmer interior vehicle temperature is reached. All photographs appearing in this brochure are the copyrighted property of the photographers contracted by or on behalf of Lexus and may not be reproduced. Lexus reminds you to place small children in CSA-approved car seats - in the rear seats, to always wear your seat belts, and to drive safely.

 **LEXUS** Lexus invites you to join us in Club Lexus, a very exceptional compilation of services, offers, special events and pertinent information available only to Lexus owners. To register for Club Lexus, please visit lexus.ca or call 1-800-26-LEXUS.

Lexus is always looking for new ways to be respectful of the environment. As part of this effort, this paper contains post-consumer recycled material and has earned the Mixed Sources label as designated by the Forest Stewardship Council.
